Stella

PART OF **LIXIL**

A young man and woman are smiling and laughing together in a kitchen. The woman is standing at the sink, filling a glass with water from the faucet. The man is leaning in from behind her, looking at her with a joyful expression. The scene is bathed in warm, golden light, likely from a window in the background. A white electric kettle is visible on the counter to the left of the sink. A radiator is visible in the background on the right side.

The Stella range continues to be the star in the Cobra crown. Renowned for its enduring quality and large array of product options, Stella has a product to suit all requirements.
